Explanation 2.— For the removal of doubts, it is hereby clarified that –

- (a) user account shall include every account of user, by whatever name called, which is registered with the online gaming intermediary and where any taxable deposit, non-taxable deposit or the winnings made by the user is credited and withdrawal by the user is debited;
- (b) whenever there is payment to the user in kind or in cash, or partly in kind and partly in cash, which is not from the user account, the provisions of this rule shall apply to calculate net winnings by deeming that the money equivalent to such payment has been deposited as taxable deposit in the user account and the equivalent amount has been withdrawn from the user account at the same time and shall accordingly be included in amount A;
- (c) whenever there are multiple user accounts of the same user, each user account shall be considered for the purposes of calculating net winnings and the deposit, withdrawal or balance in the user account shall mean aggregate of deposit, withdrawal or balance in all user accounts;
- (d) whenever there are multiple user accounts of the same user, transfer from one user account to another user account, maintained with the same online gaming intermediary, of the same user shall not be considered as withdrawal or deposit, as the case may be, for the purposes of deducting tax under section 194BA;
- (e) whenever there is taxable deposit in the form of bonus, referral bonus, incentives, promotional money, discount by whatever name called; and such deposit can only be used for playing the online games and not for withdrawal or any other purposes, such deposit shall be ignored for the purposes of calculation of net winnings and shall not be included in amount B or amount C or amount D; and
- (f) whenever any bonus, referral bonus, incentives, promotional money, discount, by whatever name called, is not considered as part of amount B or amount C or amount D under clause (e) and subsequently they are recharacterised and allowed to be withdrawn, they shall be deemed as taxable deposit at the time of such recharacterisation and it shall be deemed that the equivalent amount has been deposited in the user account at that time.”
